1. What you are doing now is a new thing new ways, and it's not as suspected as in the past, and not expecting all things that are coming about now, as is, the surprises now come about! And the surprises I am come about now and COME ABOUT ME I am now coming -- and seeing now that I am is real and I think of a kingdom that is real and I speak of my kingdom and my kingdom is real and now surprising all, who will be shocked and, glorified not, or will they -- in my kingdom also be glorified?

2. This is Theodore Cottingham December 2, 2008 standing outside the coffeeshop a little after 10 AM. I love you all.

3. I am coming into new things new ways and new "brands of me", not; but new ME's that look nothing like YOU's have ever looked, or thought you did, or where were you did was not unlike me, or what?

4. I make all things new and I am afraid of nothing new or "old" for I know now that TIME does not exist. IN me time does not exist, and about me time does not exist encircling me in its spear of fear any more longer.

5. I love you all and I give you a good day, a great day, the EIGHTH DAY. SCHOOL now reigns now in Christ, believing Christ; be leading Christs now to the grave, not; but that which resurrects now -- I am full of -- and running over with joy! With joys unspeakable -- and full of glory! And speaking about these things I am and coming unto me in great joy and glee I do now. I love you all.

6. Be ready. For I am there. Among you. I speaking am and I speak and I speak these words whole and full replete to you for a meal most holy chosen ingesting my meal'age now will you please, and only that?

7. And coming unto me know my wholeness fullness and repleteness of me I am my words. I am my word. I am my words made full, and flesh shall behold my glory now. A man of, school, not; but raising MANY and MANY UNIVERSITIES rise now; through my "name hood", not; but my life which is full and replete and glorified now before you all.

8. I walk as a simple man, loving you all to be now here -- I am one again. Among you and in you and about you, and I see all, am all. And relinquish all, not; but right and title I have to "this earth" and farther, MUCH FARTHER and all is mine and I am forever one with my maker who is me, for I became The Salvationer School, not as in the past, but The Real One I am and now is all things finished, all things finished and begun again, now is.

9. I love you all. Are one. Being one. I am again. In love with you all.

Amen
